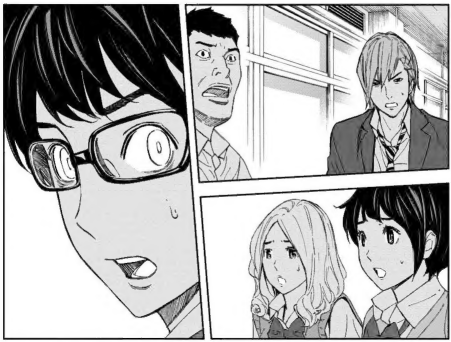
BE QUIET.
REMAIN CALM, EVERYONE.
UNFOR-TUNATELY,
THERE'S A POSSIBILITY THAT THAT STUDENT IS INFECTED.



TO REMIND YOU,
THIS DISEASE IS NOT SPREAD THROUGH THE AIR, SO REMAIN CALM AND WAIT FOR YOUR TURN.
SOMETIMES, THE INFECTED CAN GET CONFUSED AND HURT PEOPLE AROUND THEM,
SO WE WERE FORCED TO QUARANTINE HIM LIKE THAT.

NO!
I'VE SEEN THAT BEFORE!
